

## War of 1812 Legacy Symposium Sponsorship Giving Levels

The Virginia Bicentennial of the American War of 1812 Commission's Legacy Symposium, will be held in Hampton, VA on June 19 – 21, 2014. The series of events will begin with a private VIP reception on Thursday night with legislators and Commission members, followed by a public opening ceremony. Both will be held on the Chesapeake Bay at Fort Monroe. Friday will bring 150 teachers and museum educators from around the state to Fort Monroe for workshops with some of the country's top historians. A reception for attendees will be at the Fort Monroe Casemate Museum, followed by a philharmonic orchestral concert that is open to the public, with expected attendance of over 1,000.

Saturday's activities will be hosted at Hampton University, where the public portion of the symposium will bring in historical and military experts, as well as historical interpreters. Anticipated attendance is 300 people.

The sponsorship opportunities listed below create opportunities for name recognition, interaction with state leaders, and provide the resources needed to educate our teachers and the public about this historical war.
