

James Monroe Birthplace Park and Museum

The historic James Monroe Birthplace Park and Museum is open for the summer on weekends from 11 a.m. - 4 p.m. on Saturdays and Sundays. Bring lunch and enjoy the picnic area on the grounds or launch your canoe from our dock on Monroe Creek which flows into Monroe Bay and the Potomac River.

The Foundation's purpose is for Education and Preservation honoring the life and legacy of James Monroe, our fifth President and founding father. He was the only other US President to have served in active duty in the Revolutionary War other than George Washington and helped save this nation during the War of 1812 when he served as both Secretary of State and Secretary of War. Visit the new Museum with its expanded exhibits honoring President James Monroe.

Directions: The Birthplace is located on Route 205 in Westmoreland County, 1 mile east of Colonial Beach at 4850 James Monroe Highway at the James Monroe Birthplace Historical marker.
